To the payer of tuition:

The Catholic University of America provides payment options that help you afford education. Enroll now in the Interest-Free Monthly Payment Option and divide tuition and other expenses into ten smaller monthly payments, spread over the year.

Your only cost is a \$65 annual enrollment fee. There are no interest or other costs. Because this is not a loan, everyone qualifies. Life insurance covering your Interest-Free Monthly Payment Option payment is included, at no additional cost.

Enrollment is fast and easy. Follow the steps on the enclosed Payment Planner today. Complete and mail the enrollment form. Or, have the information handy and call 1-800-343-0911 or go to www.afford.com and use your credit card to pay your \$65 annual enrollment fee and get started.

Once enrolled, you will be billed monthly, in accordance with the Monthly Payment Schedule printed on your enclosed planner. Automatic monthly deductions from checking or savings are available at no additional cost.

The Catholic University of America offers this popular option with Tuition Management Systems, the nation's #1-rated provider of education payment services for over 20 years. We are pleased to make this option available at a low cost to you.

Sincerely,

Leah R. Wolf
